

With Teladoc Health, you can get access to health care from the comfort of your own home.

Primary 360

Your dedicated primary care team

With Teladoc Health Primary 360, you can:

- Choose your primary care provider.
- Schedule a phone or video visit at your convenience.
- Get a personalized care plan based on your medical history.
- Message your dedicated Care team 24/7 with questions.

Behavioral Health

Mental health support when you need it

Taking care of your mental health is an important part of your overall well-being. Licensed professionals, including psychiatrists, psychologist, social workers or therapists, can provide help for:

- Anxiety and depression.
- Stress and mood swings.
- Trauma and PTSD.
- Relationship conflicts.
- Medication management.

How to schedule a visit

You can schedule your appointment online or via the Teladoc Health app. Appointments are confirmed within 72 hours.

Please note: members may be charged a \$50 fee for no-shows and cancellations within 24 hours.

Effective 7-1-2025 all members must have medical benefits to access Teladoc 24/7.

***If your district offers a Teladoc only option, the employee will only have access to the Teladoc 24/7 product and will not have access to Primary360 or Behavioral Health.**
